FOR IMMEDIATE RELEASE

Orb Optronix, Inc. Ranks Number 16 on the 100 Fastest-Growing Private Companies List Released by Puget Sound Business Journal *2010 Companies Honored and Rankings Announced*

SEATTLE, WA – Oct. 15, 2010 – Puget Sound Business Journal announced that Orb Optronix, Inc. ranked number 16 on the 100 Fastest-Growing Private Companies list at an awards event at Meydenbauer Center on Oct. 13. The event, which drew nearly 500 people, announced and honored all 100 companies on the list and revealed each company's ranking. The 100 Fastest-Growing Private Companies are listed, with select companies profiled, in a special publication of the Business Journal on Oct. 15.

The Fastest-Growing Private Companies program was launched 16 years ago by the Puget Sound Business Journal to identify and recognize companies speeding to the top of their industries. To be eligible, companies must: be privately held and headquartered in Washington; have at least \$500,000 in net revenue in 2007; show an overall growth from 2007 to 2009 fiscal years; and agree to have their CPA confirm their net operating revenues with Puget Sound Business Journal.

"The companies that make this list are, by definition, among the most dynamic in our region," said Business Journal Publisher Emory Thomas Jr. "Especially this year, they have beaten the odds imposed by the Great Recession, making membership on this elite list all the more impressive. These companies are showing all of us what qualities it takes to grow in challenging times."

"The LED industry itself is a high-growth industry. Orb is tackling some of the most difficult engineering challenges with LED and Solid State Lighting technologies. We are growing by providing the LED industry with excellent tools and critical services," said Rand Lee, Orb's president. He continued, "Our employees are what make Orb work. Being recognized by the Puget Sound Business Journal is truly an honor."

The 100 Fastest-Growing Private Companies program is presented by the Puget Sound Business Journal and sponsored by Chase, Lane Powell, Robert Half International, and Sound Mental Health.

About Orb Optronix

Orb Optronix (www.orboptronix.com) provides test and measurement services, engineering services and test and measurement products to the LED and Solid State Lighting industries.

Puget Sound Business Journal is the region's premier source of business information, serving an unparalleled audience of business and community leaders. In addition to the weekly newspaper, the Business Journal provides daily updates via its web site and email alerts. The company also plays a vital role in bringing the area's leadership community together by hosting a wide variety of events throughout the year, from the Women of Influence awards event to the Washington's Best Workplaces event at Safeco Field. Puget Sound Business Journal is a unit of American City Business Journals, which operates 40 local business newspapers throughout the United States. Visit Puget Sound Business Journal on the web at www.pugetsoundbusinessjournal.com.
